

Country goodness in a big way – **Westby brand Cottage Cheese, Sour Cream, and Butter.**

Westby brand Cottage Cheese, Sour Cream, and Butter products are available in bulk packaging sizes for use in food service, hospitality, and as ingredients.

Westby Cooperative Creamery is the leading cottage cheese producer in the state of Wisconsin. For us, it's a specialty, an expertise. Our gifted and qualified cheese-makers follow an old-fashioned recipe and traditional handcrafted process for our creamy smooth and great tasting cottage cheese products – *Made-in-Wisconsin.*

Some may think sour cream is just sour cream, no matter who the producer may be. Not true; all sour cream is not created equal. Westby brand sour cream is made with Grade-A Cultured Cream from the nearby dairy farms of our farmer-owners. Freshness matters when you want a smooth and creamy sour cream, and the great taste of *country goodness – Made-in-Wisconsin.*

Butter? You bet we have butter. You won't get *country goodness* without Westby brand butter.
